FROM OUR GENERAL MANAGER

Greetings members,

Happy New Year and welcome to 2026!

I trust you have had a relaxing and enjoyable time over the festive season. Thank you to everyone who came along to our Christmas Eve and New Year's Eve celebrations. The Club was packed on both occasions, it was great to see so many people here.

2026 will be another busy year in the Club. We are currently working on plans for our entertainment and promotions for the year. Keep an eye on our newsletter and social media for updates.

We kick the year off with our usual Monday Housie starting again on 19 January. Please check the calendar for the return of other weekly events.

Thanks for supporting your Club.

Paul Inwood

FROM OUR PRESIDENT

Compliments of the season to all.

It was pleasing to hear about the great crowd on Christmas Eve, and to experience the wonderful atmosphere at the Club on New Years Eve.

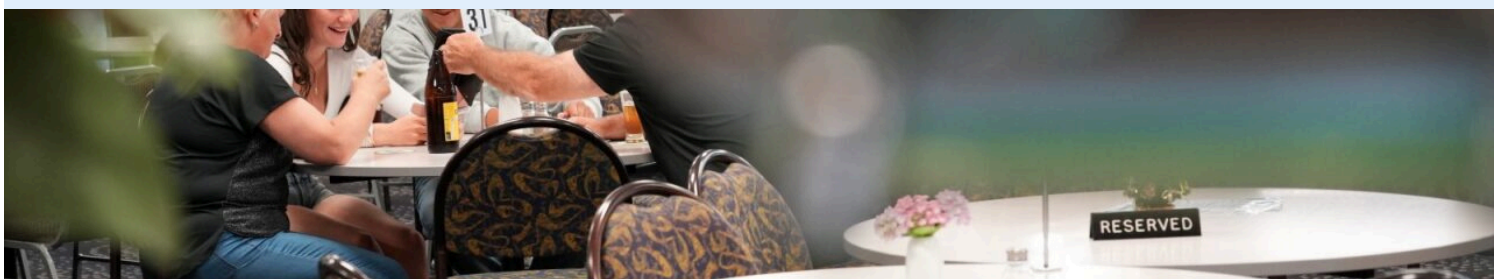

I would like to thank the bar and bistro staff for their work in 2025. Our staff have been put under pressure on busy nights and they just kept on improving. Thank you also to the management and office team who work constantly to organise everything – without you, the Club would not be as good as it is. Gratitude should also be expressed to my fellow Club Committee members for a huge effort in monthly meetings and several other meetings for the good of the Club and its future.

Tracey Rockhouse was a real gem on New Years Eve. The music she sang got the crowd rocking. It was the most people I have ever seen dancing throughout the night. Later in the evening we were also joined by the McAlpines Pipe Band from Rangiora. They entered the Club already playing and marched onto the dance floor to play half an hour of emotionally stirring music. The performance was greatly appreciated by the crowd. We had the pleasure of hosting the performers in the Club Sports Bar directly afterwards.

Onward for 2026: I look forward to interacting with everyone in the coming year. Please keep the support for the Club going. It would be great if everyone encouraged their friends and family to become new Club members.

Once again, I thank you all for your support in 2025 and for your continued support in 2026.
